Hyosung GT650P 2019

Solid All-round Performance

£3,999 ^{+OTR}
from £84.32 p/m

The 650cc 90 degree DOHC 8 valve fuel injected motor has been taken to the extreme to ensure the ultimate rush. Blistering performance is harnessed in a 'bridged box frame' with all the features that advanced technology has to offer. The GT650P delivers solid 'all-round' performance and handling not normally associated with such a competitive price tag. The GT650 family is based upon a rigid chassis and adjustable suspension that provides precise handling and feedback whilst the new 4-piston brake calipers ensure excellent braking. Ride the GT650 as hard as you like (or as easy!) and enjoy your journey the Hyosung way.
