Keeway RKS 125 2019

Style and performance

£1,699 ^{+OTR}
from £33.04 p/m

Think of the RKS 125 E4 as a Mc packet of value, reliability, bicycle style, fuel efficiency and the feeling of a full-blown machine, giving the RKS 125 E4 a surprisingly high degree of style and performance at a price that makes you smile. Designed to be a smaller, value-based version of a full size naked machine, the RKS 125 is powered by a 125cc encylindrical four-stroke engine that uses a single overhead camshaft and electronic ignition. The chassis is equally well-designed, with cast 17 inch wheels, sticky tires, dual rear shock absorbers, a Hydraulic Telescopic Fork and a single front brake disc, ensuring you a powerful stop. There is also comfortable ergonomics, a modern instrument, two-up capacity and electric start. With all this achievement and value, it's quite hard to miss the RKS 125 E4!

Engine

ENGINE TYPE 1-cylinder/4-stroke/2-valve, Air-cooled, SOHC	RATED OUTPUT 8.5kW/9000 r/min	EXHAUST SYSTEM Euro 4 Compliant	FINAL DRIVE Chain	SPARK PLUG N/A
