Keeway Superlight 125 SE 2019

A Blacked Out Custom Look

£2,199 ^{+OTR}
from £43.54 p/m

If you think of the Superlight 125 as your gateway to the open road, an introduction to the world of motorcycling freedom in the guise of a small cruiser, it all makes sense. Limited is designed to look like the custom cruisers of yesteryear, with fat fenders, wheels and tires, classically shaped fuel tank and saddle, and the chrome-encrusted look that style conscious riders swoon over. The 124cc four-stroke single-cylinder engine is smooth and durable, and makes power that's very easy to use - especially good for riders just starting out. Of course, there's electronic ignition, electric and kick starting, a disc brake up front, slash-cut mufflers, and blacked-out custom-look wheels. The Superlight standard even comes with leather saddlebags, so you can't go wrong with this one.
