Sym Crox 125 2019

Urban Attitude with Bite

£1,999 ^{+OTR}
from £41.44 p/m

Want a scooter that goes well, looks great, has great reliability & doesn't break the bank? Want all that with a little extra Bite? Then CROX should be top of the list. SYM has taken all the years of experience garnered from developing & refining the JET 4, and folded its best qualities into a package of fun. This was the inspiration that took CROX from Drawing board to Driveway. As with our other models, SYM utilises an ultra reliable SOHC 4 stroke engine that has proven itself in our other best-selling scooters, this beats at the heart of CROX, carried by a tubular steel frame that ensures a stable predictable ride, surrounded by moto cross inspired bodywork. SYM have created a compact, sporty looking scooter that can back itself when asked, make your trip or your leisure time fly by and leave you wanting more. All this is supported by a confidence strong enough to put a 5 year warranty on all our products over 110cc, no other brand gets close, we've put our Money where our Mouth is. Get on Board with SYM, it's where you deserve to be.
